Engine Oil

Dear Ms. Katleen Adriaenssens,

Analysis of the engine oil

Champion OEM Specific LL III SAE 5W-30

has shown that product in question meets the requirements in accordance with VW Standard 504 00 and VW Standard 507 00. This engine oil is therefore suitable for use in our vehicles with LongLife Service (petrol and diesel engines, including diesel engines with particulate traps without fuel borne catalyst) in accordance with the Owner's Literature for our products.

This engine oil is not suitable for all sales countries given in the approval application due to the local fuel quality.

So that it is clear to both customers and workshops that this approval has been granted, containers should state:

"approved under VW Standard 504 00 and VW Standard 507 00"

Please note that this approval will expire on **20.04.2021** at the same time as the approval given to the reference oil.

Yours sincerely,

i.V. 

Dr. Achmus
